Past Events.

On the 7th Of December the branch held its Christmas party in the Ex Service Men's Club, although it was a good night in general it was not well attended and the party was all over by midnight so I will not be holding anymore Christmas parties in the future so if anyone else wants to take this event on they are more than welcome.

On 25th January a few members attended the East Lothian Burns and are sure they all had a great night as I did, well done to the organisers of this event, the Edinburgh branch will be holding their own burns night next time as the members have requested it.
