Help shape our research programme on veteran family wellbeing

Are you a spouse / intimate partner or child (now 18+) of a military veteran living in **England, Scotland, Wales or Northern Ireland**, or are you a veteran yourself? If so...

Help shape our research programme on veteran family wellbeing

Would you like to help us shape our research by helping us design research recruitment materials and explain results to ensure the best outcomes for families? (you don't need any research experience)

Can you spare six 1 hour meetings over two years to join a **Veteran Family Involvement Group** either in person or via conference call/Zoom?

We will cover your travel expenses and provide you with a £50 Amazon gift card as a thank you for each meeting you attend.

We want to recruit two groups as follows...

- 1. King's Troop Group**
(representing England & Wales)
- 2. Queen's Troop Group**
(representing Northern Ireland & Scotland)
