

Remembrance Events 2021

Remembrance Week 2121 is going to be busy with many events covered by our Regimental Family. This gives us our opportunity to pay our respects and Remember the events and loss of life in numerous conflicts. Many will be attending Services in their local town/area and it is hoped that the Regiment can be as widely represented as possible in our Regimental Area. There are several events that the Regimental Family will be involved in, some of these are organised externally and others are purely Royal Scots events; see below for details of RS events.

Co-ordination: The Regimental lead on all Remembrance issues is the Regimental Office Manager, Lt Col David Jack who can be contacted during office hours on 0131 557 0405 or email david.jack@theroyalscots.co.uk. London based events are coordinated by Major Christopher Delacombe cdelacombe@crdelacombe.com

Wreaths: Representatives/Branches laying wreaths on behalf of the Regiment are responsible for ordering their wreaths from the Regimental Office and arranging collection from the Office **prior to the event**. Please don't leave until the last minute. Wreaths for the events at the Garden of Remembrance and Edinburgh City Chambers have been pre-ordered and will be delivered to those locations.

Dress: while in no way mandatory, it is hoped that those attending will wear, if in possession, Blazer, Trews/Flannels, RS Tie, Glengarry with RS Cap Badge, Medals and of course, a Poppy.

Please continue to watch the Regimental Website for information regarding Remembrance Events: <http://www.theroyalscots.co.uk/>

Photographs: The next issue of the Thistle will contain a selection of photographs from Remembrance Services so please send any you have of your Service to thistle.editor@theroyalscots.co.uk. Add names of those in the photographs.

David Jack
Regimental Office Manager
